

## **NEW YORK WATER ENVIRONMENT ASSOCIATION GENESEE VALLEY CHAPTER – INDUSTRIAL ISSUES COMMITTEE**

---

### **PRESS RELEASE**

#### **2013 Environmental Performance Award**

The Industrial Issues Committee recognized several industries for outstanding environmental performance at the New York Water Environment Association's Industrial Issue Committee meeting held this year on July 18, 2013. The Environmental Performance Gold and Silver Awards are given each year to industries that are in 100% or 99% compliance, respectively, with discharge limits listed in their Publicly Owned Treatment Works and/or New York State Department of Environmental Conservation State Pollutant Discharge Elimination System Permits. Award winners for the calendar year 2012 are:

#### **Environmental Performance Gold Award**
